### A strange day

I'm dog Lola.  
 One day my family was very busy. They tidied the house and put things in the living room.  
 Some friends came.  
 They ate lots of food and played games.  
 It was late, when they went outside and made noise. Very strange!  
 Suddenly someone shouted: "Happy new year!"

Alina Noelle Brüggmann, 8d

All your sins and decisions do exist in the past. No matter if you believe in your gods or the universe. The smoke never goes back to the cigarette

and the rain never gets back to the cloud. The only thing you will be able to change is your future.

-Acelya Sengöz

One day I opened my eyes.  
 I spoke my first words.  
 Later I finished school, I had a job and got married.  
 The time went by and I had children.  
 My grandchildren followed.  
 One day I closed my eyes and I never opened them again.  
 Time goes by...  
 Hurry up!

"Stop thinking all the time and do something!". Ellie was shouting at Chloe "You are wasting all your..." Chloe interrupted her. "What should I do then instead?" - "Live your life!" Moments later Chloe added "What if the real life starts inside your brain? Then YOU should start to live. THINK."

Kyle held his little sister's hand while walking on the street.  
 She asked him many questions:  
 "Are you a wizard?" - "No."  
 "Are you famous?" - "No."  
 "Are you happy with your entire life at all?" - "No."  
 "Would you like to change something then?" - "No."  
 "Why not Kyle?"  
 "Nobody is perfect." #Because

Sparky is Linda's dog. She sat on the sofa when suddenly Sparky came in and started to bark. He ran through the whole room too. Linda started to laugh but Sparky could not hold it anymore... He peed on the floor. "Why did you not... SPARKY!"  
 If she only knew.
